TVA Special Turnkey Projects:

Kingston Recovery

Jacobs Engineering provides oversight of corrective action/dredging plans and project management, engineering, environmental and construction management – subcontracted with RSI.

General construction contracts may be awarded depending on legislative actions/ EPA/TVA decisions.

Fossil – Emission Reductions Project

AECOM (Legacy URS Energy and Construction) – Turnkey contract for engineering, procurement, construction, startup and commissioning services for environmental improvement (clean air projects) throughout TVA’s fossil system. AECOM may use subcontractors to procure major materials, equipment and construction installation services required to provide major components.

For subcontracting opportunities for clean air project, contact: AECOM Lawrence Bruni, 609-720-2392, lawrence.bruni@aecom.com

Fossil – Bottom Ash Dewatering Projects

AECOM (Legacy URS Energy and Construction) – Contract for engineering, procurement construction, for environmental improvement (Bottom Ash Dewatering) projects throughout TVA’s fossil system. AECOM may use subcontractors to procure major materials, equipment and construction installation services required to provide major components.

For subcontracting opportunities for Bottom Ash Dewatering projects, contact: AECOM Gary Ferguson, 913-242-3383, gary.ferguson@aecom.com

Paradise Fossil - Dry Fly Ash Project

United Conveyor Corporation (UCC) – Contract for design and fabrication for environmental improvement (Dry Fly Ash) project at Paradise Fossil Plant. United Conveyor Corporation (UCC) may use subcontractors to procure major materials and services required for design and fabrication requirements.

For subcontracting opportunities for Dry Fly Ash Project, contact: TVA Ashley Floyd, 423-751-6929, safloyd@tva.gov

Paradise Fossil - Gypsum Dewatering Project

FLSmith USA Inc. – Contract for design and fabrication for environmental improvement (Gypsum Dewatering) project at Paradise Fossil Plant. FLSmith USA Inc may use subcontractors to procure major materials and services required for design and fabrication requirements.

For subcontracting opportunities for Gypsum Dewatering Project, contact: TVA Ashley Floyd, 423-751-6929, safloyd@tva.gov
